WebCME in Diabetes

www.diabetes.org.in

Question data bank has 2500 single
response MCQs, 10 questions are
randomly generated in each
WebCME course or exam. Choosing
right answers for 10 questions in each
exam must be completed within
seven days. A passing grade of at
least 50 per cent must be attained in
each of 100 exams before Credits and
a Certificate of Completion of
WebCME (Competence with 100
credits) will be awarded.

NIMS Diabetes Online Learning
Center acknowledges that a clinician
has completed the WebCME in
diabetes, attained 100 credits and is
now eligible for Certificate of
Competence as a part of the
ACCREDITATION PROGRAM
by the University Department of
Endocrinology and Metabolism,
Nizam's Institute of Medical
Sciences, to recognize Clinicians for
providing primary care in Diabetes.

*Accreditation is an attendance and self
evaluation system of the continuing medical
education activity for primary care
physicians. It is not equivalent to a
Certificate, Diploma or Degree awarded by
the Universities, and it does not confer any
academic qualification or
distinction on a clinician.*
