

FROM THE SECRETARY'S DESK

The Third Postgraduate Course in Diabetes Mellitus would be held from 13th to 17th October, 1986, at the Department of Endocrinology & Metabolism, All India Institute of Medical Sciences, New Delhi. The registration fee is Rs. 100 and a maximum of 30 candidates would be taken. Travel grants will be given to six postgraduate students attending the course. Applications may be sent through the Head of the Department, addressed to the Secretary, Research Society for Study of Diabetes in India, Department of Endocrinology & Metabolism, AIIMS, New Delhi-I 10029.

The theme for next years RSSDI annual meeting at Madurai in January 1987 is "Retino-renal complications of Diabetes Mellitus". Free papers and contributions to the symposium on the subject are invited.

The theme for the Nutritional Division is "Glycemic index of Indian mixed meal". Free papers are invited on this subject also.

Nominations are invited for the annual oration of the RSSDI.

Members of Diabetes Bulletin are requested to renew their subscription for the current year. The annual subscription has been rounded off to Rs. 25 from this year onward.
